

# Resuscitation 2016

## Iceland - Reykjavik

### 24 - 25 September 2016

How to teach the new guidelines?

Resuscitation 2016 is being held one year after publication of the 2015 Guidelines. How should these new guidelines best be implemented?

Scientific knowledge serves no purpose if education fails. Whilst the 2015 Congress in Prague focused on the science of resuscitation, this congress will deal with the educational aspects
